“ I still remember going to aunt Virginia sisters house (as a young boy) in the back of a truck to ride horses. Somethings you never forget. Thank You Aunt Virginia.

“ Dear girls, Sally, Peggy, Judy and sisters. My condolences for your loss. I was not aware of your mother's passing. Your mother was a good friend and neighbor to my mom and dad. I think all of us kids growing up on that street knew we were welcomed and safe because of caring and nice people like your mother. Sally, thank you for taking your mother to visit my mom in the nursing home. For my memories, your mother was a very nice and caring lady. God will bless her. Take care of yourselves

“ With deepest sympathy to the Virginia Fleck family. I am amazed at the dedication and love they showed her all of the time she was in the nursing home. I can't think of a more caring family and I know she was so grateful that her family was there with her all the way and all of the time. With God's blessings.
