“ Dear Kathleen & Family,
Mike and I, along with Michael and Chris, send our sympathy at the loss of Warren. We remember both of you as good neighbors in Sheridan. You both showed great interest in Michael and Chris' activities while they were growing up. Warren would often comment that he had seen their names in the paper for the honor roll or for sporting events. He was especially generous in paying the kids for bringing in the mail and getting the papers while you were away. Our prayers are with all of you.
Sincerely,
Mike and Lois Fortune
