“ *Howery family...I worked with Bill at Lamperts & considered him a friend. We had so many great times, mostly due to Bill's wonderful, quirky sense of humor. When I think of my Lampert days it is always with Bill in mind. He made work fun, he was always pleasant & we all looked forward to going to work and that was due to Bill. Hopefully your many memories of him will help you in this most difficult time. Suzy Wicht*

This small little light can't even begin to compare to the way you would light up a room whenever you walked in. So many shared laughs, so many times you stepped in as a big brother.

You will be missed. My heart goes out to Linda and to your lovely mother. May your journey from Life into Light be blessed.
