“ I am lost for words. We did not know our beloved friend, and Aunt had passed away.

Our kids considered Great Aunt Jane - Grandma and mentor. We are so glad during our years living in Scottsbluff our kids and us had many memories with Jane and Blaine.

I was working on our Son's Wedding Flowers and just finished Janes corsauge. She was not answering her phone so we were trying to find her family's phone numbers.

When we found her Obituary.

Shocked and saddened. We all were so looking forward to her arrival next week.

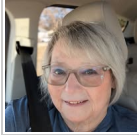

We are truly sorry that we did not know. We loved her very much.

We send our thoughts, sympathy and prayers to the family.

Jane will always be in our hearts.

“ *RIP dear Aunt Wilma. Wish I could be at your funeral, but with taking care of Kamrynn and her being 2, I felt it better to think of you today, remembering when we were at your home in Laramie and the fun we all had. You will be missed...your children will realize how much you meant to them and wish they could talk to you one last time, as we all do.*

“ Jim and I were devastated to learn of the passing of Mom J; the name we so fondly gave her upon our first meeting. We will never forget the time she spent with us here in Houston when the bond was sealed. Even though we were never able to spend time together, we kept in touch by telephone conversations and we always felt so close to her and the rest of the family through the birthday cards, Christmas cards, and other notes and pictures she would send. And her gifts of art and poetry, of which I was always so envious, was such a joy to receive. She never forgot my birthday and always remembered us at Christmas as well as our daughter, Ashlie, and her family. She was one of the most talented, intelligent, and kindest persons I've ever known and her quick wit and sweet spirit epitomized "Mom J". She is not gone but will live forever in our hearts.

Joan, Jim, Bobby, Brandy, Mike and Michelle, we love you and share your loss.
